MESSAGE

We are happy to learn that this year Vigilance Awareness Week is being observed from 31st October – 5th November, 2016 on the theme “Public participation in promoting Integrity and eradicating Corruption”.

The country has recognized the need for fighting against corruption and has adopted a ‘zero tolerance’ approach to it. We believe that the observance of Vigilance Awareness Week would create more awareness among all the stakeholders about the ill-effects of corruption. Creation of greater awareness among public and their participation in anti-corruption efforts would strengthen the system to eliminate corruption from society.

We extend our greetings to all those associated in this and convey our best wishes for a very successful Vigilance Awareness Week, 2016.

(Dr. S.K. Srivastava)
Chief Vigilance Officer

(Dr. Omkar Rai)
Director General
